STEM VISTA AmeriCorps members across Arizona work with local nonprofits, schools, and public agencies. Promote STEM (Science, Technology, Engineering, and Math) education programs to underserved youth and help them identify their dreams.

As a STEM VISTA AmeriCorps member, you make a difference in your community when you:

- conduct research
- develop compelling programs
- host trainings
- perform community assessments
- write grants
- build partnerships
- expand services

You receive the following benefits:

- living stipend
- education award or cash stipend upon successful completion of service
- professional development/training
- possible student loan deferment or forbearance
- childcare
- healthcare
- vacation and sick leave

Applicants must be at least 18 years old and pass a background check. The position requires a one-year commitment of 35 hours per week.
