

MGH Application with Written Responses Rubric

General Writing Content for Written Responses

Your written response will be evaluated on a scale of (a zero is given if there is no response or the response does not answer the question) using the rubric to the right.

Please read each question and respond to all parts of the question. We encourage you to meet with a Campus Living student staff member, the [University Writing Commons](#), and [Career Development](#) to enhance your application.

Question/Points	0 Points: Response has no connection or understanding of the questions; answers are not well developed; no examples given; did not answer the question that was asked	1 Point: Response demonstrates minimal connection to or understanding of MGH; answers require additional clarification or need a more thorough explanation; provides an example but does not demonstrate why this is the best housing for them and how they will maintain a positive roommate experience; answers a part of the question	2 Points: Response has a basic understanding (surface level) of MGH; answers are mostly detailed with little clarification needed; provides a clear example; answered most parts of the question	3 Points: Responses demonstrate a connection to and a thorough understanding of MGH; articulates detailed explanations in a well thought out and developed manner; provides multiple examples to demonstrate experiences; answers all parts of the question
