1. **DEFINITIONS:** As used herein, the term:
   a. “Summer 2022” means May 8, 2022 or the date the student moves in (whichever is earlier), through August 3, 2022 or the date the student moves out (whichever is earlier).
   c. “License Agreement” means this agreement and the terms, conditions, rules and regulations set forth in the housing portal, the [Standards of Residence](#) and the [Student Code of Conduct](#); which are incorporated by this reference as though fully set forth herein.

2. **TERM OF AGREEMENT**
   a. This is a binding agreement between Northern Arizona University (NAU), Housing and Residence Life and the student.
   b. All NAU residents must read and electronically or physically sign the License Agreement. If the student is under 18 at the time they electronically or physically sign the License Agreement, a parent or legal guardian electronic or physical signature is also required. Parent or legal guardian signature authorizes the student to enter the License Agreement, complete application steps in the housing portal and access their campus living community room without need for further signatures. Student, parent or legal guardian signature also demonstrates understanding that the student is financially liable for all charges and bound by the License Agreement.
   c. The term of this License Agreement becomes effective and binding upon electronic signature and continues until the date the student moves out; unless cancelled by NAU or the student prior to check-in, or termination by Housing and Residence Life in accordance with this License Agreement’s terms and conditions.
   d. This License Agreement is for the entire Summer 2022 term, as set forth in the housing application.
   e. Dates of occupancy may vary to accommodate changes in the academic calendar of the university.

3. **TERMS AND CONDITIONS**
   a. The student agrees to payment of the $25 non-refundable housing application fee within seven days of submitting the License Agreement. Failure to make the payment by the posted due date on their student account will result in the cancellation of the License Agreement.
   b. The relationship created by this license between NAU and the student is that of licensor and licensee, and not that of landlord and tenant.
   c. This License Agreement is for space only and NAU reserves the right to make changes in room assignments when the university deems it necessary.
   d. The student must be registered for summer session classes, or pre-registered for fall classes, to live in the campus living communities.
   e. If a member of the family other than the contracted resident is fulfilling the academic requirement, University Housing must be informed of the changes in contracted residents.
   f. Only members of the immediate family (husband, wife, and dependent children under 18 years of age) may live in the family housing unit. There is a maximum occupancy of 5 persons to a two bedroom apartment.
   g. A student’s spouse and/or children must reside with the student at all times in order for the student to be eligible for family housing.
   h. The student must officially check out of the campus living community within 24 hours if no longer registered for classes, withdraws or is withdrawn from NAU.
   i. This License Agreement is not transferable or assignable to any other person, organization, or department of Northern Arizona University. Sublicensing arrangements of any kind are prohibited.

4. **RENT PAYMENTS**
a. Summer housing rent rates are available at nau.edu/reslife; said information is incorporated by this reference as though fully set forth herein.

b. By taking occupancy of a room, the student specifically agrees to pay rent charges for the entire term of this License Agreement. Summer housing rent is prorated based on the dates the student checks in and checks out of the campus living community.

c. Housing rent payments must be made by the due dates posted to the student LOUIE account at nau.edu/louie/. Information regarding all payment options is available at nau.edu/sdas/; said information is incorporated by this reference as though fully set forth herein.

d. A student receiving sufficient financial aid to cover tuition and campus living community rent may delay full payment until financial aid is disbursed at the beginning of the term. When possible, financial aid recipients’ rent will be deducted automatically upon disbursement. The availability of financial aid, however, does not relieve the student of financial responsibility for all sums due under the License Agreement.

e. Accounts with a past due balance are subject to applicable late fees per university guidelines. Detailed information related to late fees and collection costs is available at nau.edu/sdas/; said information is incorporated by this reference as though fully set forth herein.

f. The License Agreement may be terminated upon failure to complete rent payments when due.

g. The Arizona Board of Regents and/or NAU reserve the right to change room rates and other charges and fees if circumstances require adjustments.

5. OFFICIAL COMMUNICATION
   a. All official communications are sent to the student’s NAU email address as the primary method of communication.
   b. The student is responsible for checking NAU email on a regular basis and responding as requested.

6. CONDITIONS OF RESIDENCE
   a. Room assignments are based on date of License Agreement and space availability.
   b. Occupancy begins when the student accepts a key to the assigned room. Only students officially assigned and checked into a specific room may occupy that room.
   c. A student may occupy only one bed space in a shared room type, unless they have selected and been charged for a private room buyout. If the room is not a buyout, the student must ensure at all times that the other vacant bed space is clean and prepared for another assigned occupant to move in. In the event that the student takes occupancy of the other bed space or area of the room not assigned to them, the student will be held financially responsible for the buyout rate.
   d. Housing and Residence Life reserves the right to change, cancel, or consolidate room assignments at any time due to academic ineligibility, discipline/conduct, safety, health, or other administrative reasons.
   e. A transfer process exists for a student requesting to make a room or campus living community transfer during the period of occupancy. Transfers may be limited due to timing or space availability, and must be approved by Housing and Residence Life. Said information is incorporated by this reference as though fully set forth herein.
   f. The student agrees to maintain the assigned room (and shared space in suites/apartments) in a safe manner and in good condition for the entire term of the License Agreement. Furnishings shall not be removed or stored. Public area or lounge furnishings shall not be moved into a student’s room. It is the student’s responsibility to restore the room to its original condition prior to checkout. Damages beyond reasonable wear will be billed to the student at the time damage occurs or when found upon the student checking out of their residence.
   g. The student becomes responsible and liable for the room key upon check in. It is the student’s responsibility to obtain and keep possession of the room key. When a key is lost or stolen, the student must inform Housing and Residence Life immediately. The student will be charged applicable key replacement and/or lock change fees for each time a new key is issued and/or locks are changed. The student is responsible for turning in the key at the time of check out, and if fails to do so, key replacement and/or lock change charges will apply.
h. The student agrees to know, observe and comply with the terms and conditions of this License Agreement; all federal and state laws; all NAU policies and regulations governing student conduct including the Student Code of Conduct, Standards of Residence, and Appropriate Use of Information Technology Resources Policy; and any subsequent policies or regulations that the university adopts or publishes during the term of this License Agreement. Failure to do so may result in a sanction, administrative transfer to another room or termination of this License Agreement resulting in removal from campus living communities.

i. The student’s room, suite or apartment shall not be used for commercial purposes including attempting to solicit residents or others for commercial purposes. The use of campus living community facilities and/or property for commercial activities by residents, individuals or university organizations is prohibited.

j. Parents are directly responsible for the supervision of their children in or around university premises.

k. NAU staff, or other designated agents necessary to the operation of the campus living communities, may be authorized by Housing and Residence Life to enter a student’s room at any time to verify inventory records or occupancy; perform maintenance; enforce safety, health, Student Code of Conduct, Standards of Residence or other administrative policies; or during an emergency.

l. NAU is not liable for loss, theft, or damaged personal property. NAU does not offer insurance coverage for personal property. The student should privately obtain insurance coverage for personal property and effects, if desired.

7. HEALTH AND SAFETY

a. Taking steps to reduce the risk of COVID-19, or any other spread of disease or risk to our community, is the shared responsibility of every member of our community. The student agrees to abide by all CDC, local, state and federal health guidelines and university requirements.

b. The student agrees to comply with all university guidance, rules and expectations intended to minimize the risk of exposure to and transmission of COVID-19 including, but not limited to, wearing face coverings, COVID-19 mitigation testing, contact tracing, physical distancing, limitations on large gatherings and guests in campus living communities, and quarantine/isolation requirements. Guidelines and required measures may be updated or revised as public health circumstances change.

c. The student agrees to notify NAU through the Healthy NAU site if they test positive for COVID-19 or have been contacted by the Arizona Department of Health Services, Coconino County Health Department, or other authorized public health entity about COVID-19 exposure and instruction to isolate.

d. The student agrees to comply with university direction requiring isolation or quarantine. Isolation or quarantine will require temporary relocation from the student’s assigned room. Housing and Residence Life will provide options for safe isolation and quarantine, including campus living communities designated for that purpose. Relocation for isolation or quarantine does not constitute cancellation or termination of the License Agreement.

e. The student agrees to keep their personal living space in a sanitary condition and adhere to required sanitation standards and disinfectant protocols in shared spaces.

f. For reasons of health and safety, pets, candles, incense, explosives, weapons, halogen lamps, water furnishings, and some appliances are not permitted in student living units. Cooking is not permitted in shared campus living community rooms. Students are responsible for abiding by university fire and safety regulations.

g. Failure to comply with any of these guidelines may result in formal disciplinary action or termination of the License Agreement.

h. Campus living communities and other buildings at NAU have been assumed or documented to contain asbestos in a variety of building materials. These materials do not pose any health risk as long as they remain undisturbed and maintained in good condition. Students are prohibited from performing any activities that would disturb or damage existing building materials in resident buildings or rooms. For more information, contact Environmental Health and Safety at 928-523-6435.

i. Lead Warning Statement: Housing built before 1978 may contain lead-based paint. Lead from paint, paint chips, and dust can pose health hazards if not managed properly. Lead exposure is especially harmful to young children and pregnant women. Before renting pre-1978 housing, property owners must disclose the
presence of known lead-based paint and/or lead based paint hazards in the dwelling. Review the federally approved pamphlet on lead poisoning prevention at epa.gov/lead. Licensor’s Disclosure: NAU has no knowledge and no records or reports pertaining to lead-based paint and/or lead-based paint hazards in campus living communities.

8. CANCELLATION PRIOR TO OCCUPANCY
   a. Cancellations must be made through the housing portal prior to the first day of the License Agreement.
   b. Housing and Residence Life reserves the right to use space not occupied by 5 p.m. on the requested date of check in. If the student needs to change a check-in date, the student must communicate in advance to Housing and Residence Life in order to retain their space.

9. TERMINATION OF LICENSE AGREEMENT
   a. Housing and Residence Life reserves the right to terminate this License Agreement by written notice with due process if a student fails to comply with any terms and conditions of this License Agreement, including but not limited to:
      i. Conduct or behaviors that disrupt the safety and security of the campus living community or the educational environment, including but not limited to harming or threatening to harm oneself or others, or the use, misuse, possession, and/or sale of alcohol and/or other drugs
      ii. Past due housing rent balances
   b. If the License Agreement is terminated for conduct reasons, the student will be charged rent through the effective date of removal or checkout date, whichever is later.

10. AUGUST DOWNTIME HOUSING
   a. August Downtime Housing is provided as a service to eligible students who require housing from the end of the second five-week summer session to the beginning of the fall semester.
   b. August Downtime Housing is only available to students who live on campus for the second five-week summer session and have signed a License Agreement for the 2022-2023 Academic Year.
   c. Additional rent charges apply for the entire August Downtime Housing period, regardless of actual days stayed. Rent rates are available at nau.edu/reslife; said information is incorporated by this reference as though fully set forth herein.
   d. Students living in August Downtime Housing must properly check out of their summer housing assignment and check into their fall housing assignment on August 17. Students unable to move during the designated time are not eligible for August Downtime Housing.

11. MOVING OUT
   a. An official checkout consists of the student removing all personal belongings, cleaning, returning the room to the condition it was in at move-in, completing online checkout through the housing portal, and returning all keys to the front desk of the campus living community.
   b. If checking out before the end of the License Agreement term, rent is charged and must be paid until a proper checkout is completed.
   c. Rent refunds, when applicable, are credited to the student’s university account to pay outstanding university charges or refunded to the student.
   d. Upon checkout, a staff member will inspect the room for condition, including any damaged or missing items. The student will be billed for any damages, missing items, needs for cleaning and/or furniture resetting needs, or if they did not complete an official online checkout.
   e. If a student moves out of their campus living community room during or after the completion of the term of this License Agreement, and leaves personal property behind in the room, the university may in its sole discretion, and following the passage of 14 days, dispose of that property. The student hereby agrees that a failure to remove personal property for 14 days after moving out shall constitute a knowing and voluntary relinquishment of any rights the student has with respect to that property and a total abandonment of that property. Therefore, under such circumstances, the student hereby agrees to waive any legal or equitable
claims against the university it may otherwise have had with respect to that property. If the student decides to reclaim personal property left behind within that 14-day period, the university may charge a reasonable storage fee for the time the property was in the university’s possession following the student’s departure from the room, which fee the student shall pay before being entitled to reclaim the property.
