

The NAU logo is located in the top left corner, featuring the letters 'NAU' in white on a dark blue background. The 'A' has a yellow triangle above it.

**NAU**

The background of the entire page is a photograph of a modern university campus. It shows a wide, paved walkway with several students walking. To the left, there are lush green plants and purple flowers. In the center, a large, modern building with a glass facade and a prominent staircase is visible. The sky is blue with scattered white clouds. The main text 'FINISH YOUR DEGREE' is overlaid on the right side of the image.

**TRANSFER STUDENTS**

Each semester, NAU welcomes thousands of transfer students to our Flagstaff campus, statewide locations, and online programs. Whether from another four-year institution or a two-year community college, transfer students bring talents and perspectives that enhance the NAU experience for us all.

Our transfer students choose NAU for:

## COMMITTED TO YOUR SUCCESS

As a transfer student, you want the credit hours you've already earned to apply toward your four-year degree. You might also have family and work obligations that demand your attention.

We understand that no two educational journeys are alike, so we give our students the support they need to earn a degree.

When you become a Lumberjack, you'll receive the true NAU experience: dedicated services, career-ready programs, and personal attention from expert faculty—in a location and format that work for you. We are just as committed to your future and success as you are.

## PEER MENTORS

Our mentors transferred to NAU too; they were once new to the university with similar hopes, dreams, and challenges. Flagstaff students will be paired with a Transfer Jacks peer mentor during their first semester at NAU, while online students are assigned a Jacks Online peer mentor. Your mentor will be a trusted guide to navigating your transition to NAU, as well as a valuable connection all the way through graduation.

## JACKSPATH

JacksPath is an interactive tool you will use to plan your academic journey—and your career—and track your progress. See how your credits will transfer, what courses you should take at your community college, and what you'll take at NAU to earn your bachelor's degree.
