DIGITAL ACCESS TO APPENDICES A – F FOR THE MASTER’S THESIS: GEOLOGY, GEOMORPHOLOGY, AND HYPSOMETRY OF SOUTHEASTERN MARGARITIFER TERRA, MARS, AND THE LOWER ESCALANTE RIVER, UTAH.

There are two ways to access the digital appendices for this thesis:

1) Check out the hard-copy thesis from Cline Library at Northern Arizona University or request it from interlibrary loan through your school or institution. The hard-copy contains a CD-ROM containing the digital appendices.

OR

2) Request the read-only, digital appendices from the author directly through email. The request to the author must include name, affiliation, which appendices are requested, and a brief description of the reason for the request. Send all requests to:
