

BACHELORS of SCIENCE in GEOLOGY at NAU: One Degree, Many Paths

Core (30 units)

Intro (101/103 or 112/112L)

Historical (102/104)

Intro Field GLG (EES) 240

Earth Materials GLG 309

Seds GLG 324

Intermediate Field GLG 350W

Structure GLG 435

Advanced Field GLG 440C

Support courses (19-21 units)

2 courses - MATH and STATS

3 courses - CHEMISTRY and PHYSICS

Electives (21 units)

pick 2 upper level GLG courses

GLG 315 GLG 360

GLG 451 GLG 460

GLG 470 GLG 475

GLG 490 GLG 565

and 3-4 major electives

Select from over 40 options:

All GLG courses & AST, BIO, ENV, EES, FOR, MAT, PHY earth-related courses

Tracks: Classic, Professional, Resources, Geochem, Geophysics, Planetary, Climate, Environmental (progression plans available)

Available to graduating Seniors Fall 2024
