1

Revised October 8, 2012
IACUC Protocol Title:

IACUC Protocol Approval #:

IACUC Protocol Approval Date:

☐ Ownership of the animals is the responsibility of:

☐ Purchasing/Acquisition of animals is the responsibility of:

☐ Payment for animal care and procedures is the responsibility of:

☐ The animals will be housed at:

☐ Provision of animal housing, daily husbandry and veterinary care is the responsibility of:

☐ If NAU representatives are directly participating in the work involving live vertebrate animals, NAU will provide occupational health training (up to ABSL2/BSL3) and the Collaborating Institution will provide any additional training that is unique to mitigating risk in their facility/research program.

☐ Any additional information (describe):

The following documents are attached:

☐ Official documentation of approval by the IACUC

The NAU IACUC requests that the collaborating institution provide, as applicable:

- Documentation of IACUC approval for modifications to the approved protocol as well as triennial reviews of the protocols.
- Notification of review and reporting of any incidents of non-compliance with PHS Policy, the Guide for the Care and Use of Laboratory Animals, or any suspension of this activity by the IACUC.
- Additionally, NAU requests that the collaborating institution provide notification of change in PHS Assurance status or AAALAC International Accreditation status.

Northern Arizona University remains responsible for ensuring compliance with the IACUC’s determinations and with the Terms of its OLAW-approved Animal Welfare Assurance. This document must be kept on file by both parties and provided to OLAW upon request. Completion of this document provides assurance that the review performed by the Collaborating Institution’s IACUC
meets animal welfare requirements prescribed in the institution’s OLAW-approved Animal Welfare Assurance.
