NAU IRBNet Navigating Packages

Guidance for navigating between packages
1. Go to your active projects by selecting the **My Projects** tab at the left of the screen.

2. Select the **Title** of the project you would like to share.
Navigating a Project

Click “Designer” on the left side of the screen.
Finding Packages

Click on the Blue Arrow to see all packages in the project. Click on the package you want to work on.
